Cookie Policy

fi.   Introduction

We are **OneArt** will be referred to as "we".

This [Website](#) uses different types of cookies. In the spirit of transparency, this Cookie Policy ("Policy") provides detailed information about why, how, and when we use cookies on our Website.

As further described below, we automatically collect information from cookies such as: IP address, geolocation, device type and browser type, personal ID to monitor your session on the Website, information about the time of interaction with the Website, as well as information about your interaction with the Website.

Learn more about who we are, how you can contact us, and how we process personal data in our [Privacy Notice](#).

2.   What is a cookie?

A cookie is a small text file that is placed on your hard drive by a web page server. Cookies contain information that can later be read by a web server in the domain that issued the cookie to you. Some of the cookies will only be used if you use certain features or select certain preferences, and some cookies are essential to the Website and will always be used.

According to the EU legislation, we can store cookies on your device, if they are strictly necessary for the operation of this Website. For all other types of cookies, we need your permission. You can at any time change or withdraw your consent from the cookies we collect.

3.   Why do we need cookies?

We use cookies and other technologies to ensure everyone who uses the Website has the best possible experience. For example, when you use our Website, we may place a number of cookies in your browser. We use these cookies to enable us to hold session information as you navigate from page to page within the Website, improve your experience, and track and analyze usage and other statistical information.

If you elect not to activate cookies or disable cookies later, you may still visit our Website, but your ability to use some features or areas of those offerings may be limited.

4.   How do you turn off cookies?

You can generally activate or later deactivate the use of cookies through a functionality built into your web browser. If you want to disable cookies, then you can find instructions for managing your browser settings at these links:

[Internet Explorer](#)   [Microsoft Edge](#)

[Firefox](#)   [Chrome](#)

[Safari](#)   [Opera](#)

[Vivaldi](#)

If you want to learn more about cookies or how to control, disable, or delete them, please visit www.allaboutcookies.org for detailed guidance. In addition, certain third-party advertising networks, including Google, permit users to opt out of or customize preferences associated with your Internet browsing.
